invaluable feedback: Yousaf Nabi, Matt Fellows, and Bas Dijkstra. Special thanks to Karsten Strøbæk, technical proofreader, for his careful review of the code, saving the “works on my machine” moment. To all of the other reviewers: Alessandro Campeis, Amol Gote, Andres Sacco, Andy Wiesendanger, Conor Redmond, David Cabrero Souto, Dileep Pandiya, Dylan Scott, Eric Jones, Ethien Daniel Salinas Domínguez, Francesco Basile, Goetz Heller, Hugo Sousa, Jasmeet Singh, Joel Luukka, Jorge Bo, Laud Bentil, Laura Castro, Mandar Kulkarni, Matt Fellows, Nicolas Fantoni, Patrick Wanjau, Piergiorgio Faraglia, Raj Agrawal, Richard Meinsen, Ryan Kienstra, Siddharth Parakh, Simeon Leyzerzon, Timothy Jones, Yousaf Nabi, and Zorodzayi Mukuya, your suggestions helped make this a better book.

Finally, thank you to the entire Pact community and PactFlow team. You’ve created something that’s so powerful for developers and testers around the world.
