The Pact Broker overview provides key information to simplify the API or event interactions. Contracts published to PactFlow are shown in figure 9.7; the homepage shows the contract pairings and an overview of the contract details.

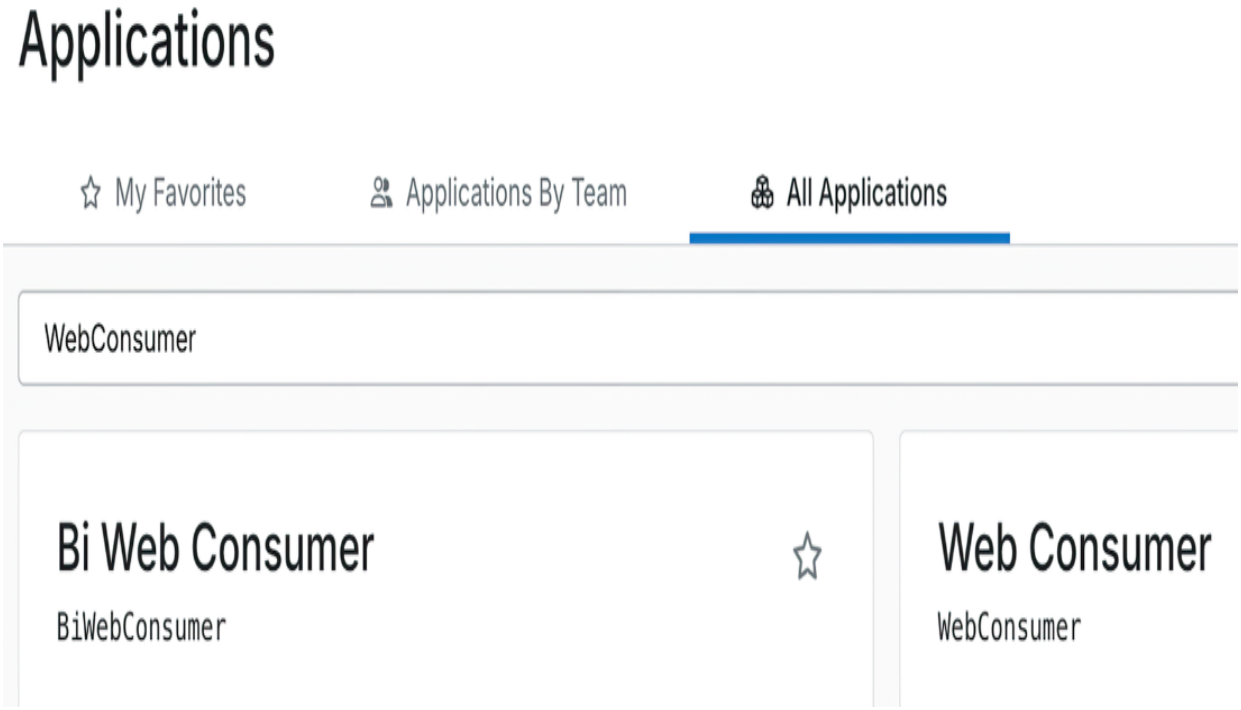

Figure 9.7 The Pact Broker homepage displays a simple API contract overview.

9.3.1 Setting up PactFlow

To start with PactFlow, visit https://pactFlow.io/try-for-free/, and sign up for a free plan, as shown in figure 9.8. Follow the instructions and user verification.
